Skill Summit 2018, Momentum Jharkhand

12th-13th January, 2017 at Ranchi

To provide a focused platform to the stakeholders engaged in Skills Development, the State Government of Jharkhand is organizing a flagship event - **Skill Summit 2018, Momentum Jharkhand** from 12th-13th January 2018 at Ranchi. The Skill Summit is expected to attract participation across multiple domains in skill development. It is also an opportunity to understand the potential of Jharkhand in various sectors and an excellent occasion to interact with the policy makers, skills providers, employers, and thought leaders from all across the world. This Summit will aim to bring together crosscurrents of opinions, views and ideas inherent to Skill Development, as the State prepares to meet new challenges and imperatives.

2. Skilling companies, business houses, trade associations, companies and relevant government departments are requested to kindly participate in the Summit to make this even a success.
